12 CREDITS available for Track Lectures		TOTAL POSSIBLE CREDITS: 12	

***** Thank you! *****

The MSDU Board would like to thank those speakers who have donated their honorarium or a portion of their honorarium back to MSDU.

This has allowed us to offer over \$2000 in grants to sonographers and students to attend the Spring Seminar and supports our purpose of promoting the ultrasound profession through education. We appreciate this very much and would like to thank them for their generosity!
